a Display Serif typeface

The background is a solid green color with a fine, repeating dot pattern. Overlaid on this are several white geometric elements: a large circle in the upper left, a large circle in the lower left, a large circle in the lower right, and a large circle in the upper right. A vertical white line runs down the center of the image. A horizontal white line runs across the middle of the image. In the lower-left quadrant, there is a square defined by white lines, which is further divided into four smaller squares by a vertical and a horizontal line. Each of these four smaller squares contains a white circle. The word "glyphs" is written in a white, elegant serif font, positioned in the upper-left quadrant, partially overlapping the large circle and the horizontal line.
